Bachelor Maids.

Mrs. A. A. Forbes entertained the Bachelor Maids Wednesday afternoon with five tables of five hundred. Cut flowers were prettily arranged in the different apartments. At the close of the afternoon an elegant two-course luncheon was served. The out-of-town guests were Mrs. Hal Noble of Fort Worth, Mrs. Irby of Buffalo, N. Y., and Miss Blair of Dallas.

Complimentary.

Miss Lucile Campbell entertained more than sixty friends Thursday evening, naming as her honorees Misses Margaret and Ellee Harris of Nacogdoches. The Campbell home on Palestine avenue never seemed so gay and pretty as on this occasion, filled with cut flowers and evergreen, and adorned by the prettiest youth of Texas. The game of hearts was enjoyed for awhile. Mints and ices were served throughout the evening. By and by sweet strains of music were heard from an unseen orchestra, and who ever heard of youth resisting this? Soon the large front veranda was filled with dancers. Between the dances fruit punch was served by Misses Phonic Campbell, Drusilla Matthews and Johnnie Link. This was a joyous happy occasion; coming just after school duties, added more pleasure to the affair, and the presence of several mothers and fathers added grace and dignity to the scene.

Spring Park Pleasures.

Mr. and Mrs. F. M. Hutchinson chaperoned a happy party to Spring Park Wednesday evening. Dancing was enjoyed until about 11 o'clock, when an ice course was served. All returned, safe and happy. The following enjoyed the occasion: Misses Jeanette Markie, Frankie Mobley, Edith Parsons, Juliette Houseman, Johnnie Moore, Nannie Durham, Pearl Dubose, Georgia Laura Dick, Grace Hutchinson and Sue Smith of Crockett; Messrs. Always in the Spot Light Newbro's Herpicide Others Imitate but None Equal

Since the world was new there have been imitators. Great men and remarkable achievements are all imitated to a greater or less extent. An attempt at imitation is always a compliment—a tribute to the greatness of the man or the worthiness of the thing imitated.

Herpicide is a Scientific Achievement The Original Remedy to Kill the Dandruff Germ and Up to Date the Only One That Does It

Others have tried to imitate it, but without success. It stands alone, the peer of all hair preparations. Used as directed, Herpicide removes the dead scarf skin, which is so unsightly and annoying, checks further accumulation by killing the Dandruff Germ, stops falling hair and brings both scalp and hair back to normal health. Unless completely atrophied, the follicles take on new life, manifested by a strong, vigorous growth of hair.

Completely Bald for Eight Years

Pontiac, Illinois.
I was almost completely bald for the last eight years and tried every remedy advertised without benefit. Herpicide immediately removed the itching and feverish sensation. I now have a fine silky growth of hair started which is growing every day. There was no sign of a hair before.

HANLON AND WALSH

Will Open at the Airdome Monday Night—Canaries Tonight.

The management says:
The great Canaris entertained, amused and instructed another large audience at the Airdome last night with his great Parisian illusion act and wonderful feats in the art of magic. He introduced some entirely new tricks and kept the audience in continuous laughter with his quaint humor.
He will use entirely new tricks in his act tonight. The feature film in motion photographs will be a Vitagraph subject, "Her Sweet Revenge."

This is said to be a comedy sunbeam, a natural bubbling crystal of life with its brilliant reflections. A burst of sunshine to brighten up the moody and morose and make everybody brighter and better for having seen it.

On Monday night of next week Hanlon and Walsh, a comedy team, will open with an up-to-date comedy singing, dancing and impersonating act.
